

'WyHigh Update' Issue 94 w/c 15th May

Mrs Oswick, Vice Principal – Whole School Improvement

The level of effort is palpable around the Year 11 and Sixth Form students with the heart of the exam season about to commence. The commitment to learning and self-motivation can clearly be seen amongst these students and the final preparations and revision sessions will all help consolidate this approach. The final revised timetable for Year 11 is available on Metro Central and plans are underway for both the Year 11 and Year 13 leavers day, which look very fun indeed! We continue to build on the rewards being issued to the students who continue to get things right and we are very proud to see students receiving recognition for qualities which requires them step out of their comfort zone. For the third week running, we have over 80% of students rewarded for their approach to learning in lessons which has been great to observe, discuss and to receive feedback from parents.

Mr Fehners, Director of Communications

An updated version of the **Year 11 Study Leave Support Timetable** has been uploaded on to the website - Home Page Noticeboard and in 'School Life' - 'Examinations'.

Now the final **academic parents evening** has taken place can I thank all parents who have completed a Parents Evening Questionnaire. All your responses are viewed and discussed at senior leadership meetings and a report showing the data collected is collated. We value all your responses.

How it works:

If your activity is cancelled, you must join Homework in N12 or get permission to go home.

If you cannot find your group, please go to Reception and ask staff for help.
