

Hello, my name is Andrej and I came from Robert Kett Junior School. I was asked to talk about my first experience of Wymondham High Academy and I thought what shall I choose? The clubs, the teachers, the new friends I made, or the library! The library is truly amazing with over 8000 books. You are allowed to borrow up to 6 books. The library is open every school day until 4 pm and 3 pm on a Friday, which is great. I often go there after lessons to find a book that can help me with my homework. The library also has iPads and laptops, fantastic for researching (and playing...). Also, we get visited by famous authors who help us improve certain areas of English.

In case you need extra motivation or just fancy a challenge the library offers a Reading Challenge to win book vouchers. If you read all the books in the Reading Challenge you can get a special reward but no one knows what it is!

If books are not your thing then the after school clubs are properly eye-boggling as the amount of them is a lot more than primary and all of them are completely free to join! You can do a sport almost every day with the sport clubs and there are many student run clubs such as chess and Warhammer which are 2 clubs I love to go to, so if you are of the adventurous type, you can start your own club. One of my friends has made a club which I attend.

Thank you, have a great night.
