POLICY STATEMENT CHARGES FOR ACADEMY ACTIVITIES

This policy defines how Wymondham High Academy implements the legislation which allows schools and academies to charge for certain activities which take place both inside and outside school hours. The Governing Body of Wymondham High has adopted Norfolk County Council's recommended policy.

THOSE ACTIVITIES AND MATERIALS FOR WHICH A CHARGE IS MADE:

- Music Tuition: individual tuition in playing a musical instrument, which is neither part of the syllabus for an approved public examination, nor part of the National Curriculum. The Academy will charge for instrumental tuition given to groups of no more than four students. (Please see Appendix 1 for details of subsidised music tuition).
- Ingredients and materials: ingredients and materials for practical subjects where parents have indicated in advance that they wish to receive the finished articles.
- Travel: the cost of travel when a student makes use of transport not provided by the authority or Academy, to travel direct from home to an activity approved of, but not provided by, the authority or Academy. This also includes occasions where a student attends offsite education, such as College, and has not used transport provided for free by the Academy.
- Board and lodging: board and lodging will be charged in all cases where a school activity involves students in nights away from home.
- A charge will be made for all non-residential activities, which take place wholly, or more than 50% outside school hours, where the child's participation has been agreed in advance by the parents. The charge will include the cost of travel, entrance fees, insurance, books, equipment and any staff (teaching or nonteaching) engaged specifically for the activity.

Residential trips outside school hours - a residential trip is deemed to take place outside school hours if the number of 'missed' school sessions is less than half of the number of half days taken up by the trip. Charges will be made as described above.

- Non-Residential/Residential Activities taking place 50% within school hours: A contribution will be requested for activities which take place where the child's participation has been agreed in advance by the parents. The contribution will include the cost of travel, entrance fees, insurance, (including those relating to staff) books, equipment and any staff (teaching or non-teaching) engaged specifically for the activity.

- Public examinations: Candidate will be charged for:
 - the entry for a prescribed examination for which he/she has not been prepared by the Academy;
 - the entry for examinations in the same subject with two examination boards, except at the Academy's discretion;
 - the failure without good reason to complete the examination requirements for which the Academy or the LA has paid the entry fee;
 - the re-entry for an examination for which the Academy has previously paid; except where the Academy has requested that the student resits an examination.
 - Parents will be asked to pay for re-marks where they have requested this, except at the Academy's discretion.

- Damage to or loss of Academy property: In the event of damage to and loss of Academy property, the parents of the young person/s concerned will be contacted and asked to contribute toward the cost of repair or replacement.

ANY ACTIVITY FOR WHICH A CHARGE MUST NOT BE MADE WILL REQUEST A VOLUNTARY CONTRIBUTION FROM THE PARENTS/CARERS.

If the activity is dependent on a defined level of voluntary contribution and will not run if there is a shortfall, this will be stated in the documentation detailing the activity.
